

Pet Vaccination Schedule

Protecting Your Pet's Health

Vaccinations are crucial for preventing serious diseases in pets. Follow this schedule for optimal protection.

Dog Vaccination Schedule:

6-8 weeks: DHPP

10-12 weeks: DHPP + Rabies

14-16 weeks: DHPP Booster

Annual: DHPP + Rabies

Cat Vaccination Schedule:

6-8 weeks: FVRCP

10-12 weeks: FVRCP + Rabies

14-16 weeks: FVRCP Booster

Annual: FVRCP + Rabies

Always consult with your veterinarian for personalized vaccination schedules.
